

REEVE and NICHOLS, PRINTERS are
LITHOGRAPHERS, receive every description of or-
der connected with letterpress and stereotype. In the best style
at moderate charges. Illustrations of volumes in natural history,
geology, anatomy, &c. &c. in colors. Also, lithographs from
paintings, from medals or from drawings, by artists. In all the
various branches of business, and printed in black or in color.
Landscape views, portraits, &c., solicited for publication on
circular envelopes from which they are imperfect and printed
on separate sheets. For terms and prices of the various
articles, and for a list of the artists, send a card to
NICHOLS, or, directed to either according to the method adopted
in Germany, and printed with as much taste and labor as the
N. H. B. can give. Printing and lithography on the stone
and in color. — Hamburg.
